

Shield

Product # 123

Water-Based Stone and Concrete Impregnator

Shield is a water-based, high-grade, one-step, multi-purpose impregnating sealer. It provides exceptional protection against water, dirt, grease, and oil, and is solvent free and highly vapor permeable. Free of silicone and waxes, Shield bonds with the stone making it highly suitable for food courts, food service areas and kitchens. For interior and exterior use on most natural and man-made surfaces, and on most surface finishes.

Ideal for Use On:

- Concrete
- Wood
- Grout
- Terrazzo
- Flagstone
- Limestone
- Travertine
- Stucco
- Pavers
- Slate
- Masonry
- Granite
- Marble
- Brick
- Unglazed Stone
- Ceramic

Note: Do not use on sealed or painted surfaces

Effective Against:

- Water
- Moisture
- Stains
- Oil Marks

Features and Benefits

- Protect porous stone and concrete surfaces from the damaging effects of water, ice and petroleum
- Sweeps rain water off of outdoor surfaces preventing slips
- Makes cleaning and maintaining surfaces easy
- Leaves a natural, "un-sealed" appearance to the surface

Properties

Appearance: Clear Liquid
Fragrance: Mild
Ready-to-Use: Yes
Protect From: Freezing temperatures

Directions

Complete directions on product label
Clean surface before using. Apply two coats for maximum protection. One gallon will cover 250-500 square feet.

Ingredients

Water:
Fluoropolymer Blend:

CAS Number

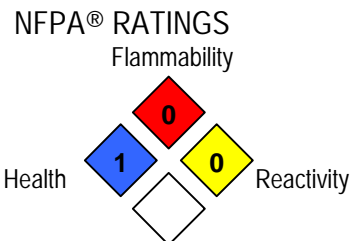

7732-18-5
Proprietary

Safety

Keep out of reach of children
